

3 Exchanges of Communication, The Triad Tool

Three: Listen Close – Seeing Sounds and Tones...

FORCE 2

A Pattern of

Whatever you focus (hear) on, you will feel.

38% Tonality/Components of Voice

Volume—the loudness or softness of the voice

Tempo—the pace or rhythm of the speech pattern

Tone—the pitch or frequency of the voice

Timbre—the individual characteristics

Voice qualities represent 38 % of what influences another human being. In other words, how you use your voice will affect someone more than what you say.

Q. _ ?

The Power of Passionate Communication

To inspire others, you must first be inspired.

NOTES:

"LET'S SETTLE THIS LIKE ADULTS WITH LOTS OF YELLING AND SCREAMING."
